AMENDMENT

Honorable Commissioner of Patents
Washington, D.C. 20231

May 20, 2003

Sir:

In response to the Examiner's Office Action dated February 20, 2002, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

In the Claims:

Please amend the claims as follows:

1. (Three Times Amended) An ESD (Electro-Static-Discharge) protection circuit comprising:

a pad, a main chip, and a conductor, said conductor creating a direct short connection between said pad and main chip; and,

a plurality of transistors, each connected between the pad and the main chip, said transistors having a plurality of resistors connected to an input terminal, said resistors being connected in parallel with each other, and having
